Slay the Slide
Summer Reading Log

Student's Name _____
School _____
Grade you will start in September _____

Slay The Slide by reading all summer. You are challenged to simply READ this summer to avoid the summer reading slide. It's really not about WHAT you read so much as that you simply READ! Help your grade level be the one to read more than any other grade in your school and get celebrated for doing so! Make sure you enter the information below for each book you finish this summer.
Turn this form in to your school librarian when you return in September.
